## Organization Narrative

Berwin Leighton Paisner and Bryan Cave combined in 2018. The result? A global law firm with 1,400 lawyers across 31 offices in Europe, Asia, the Middle East and North America.

It's one of the biggest transatlantic mergers to date. Together, we're shaking up the legal space with our groundbreaking thought leadership, market-leading solutions and collaborative culture.

BCLP is known for its relationship-driven, collaborative culture, diverse legal experience, and industry-shaping innovation and offers clients one of the most active M&A, real estate, financial services, litigation and corporate risk practices in the world.

Whether we are working on a multibillion dollar deal, a multimillion dollar dispute or a pro bono matter, at the heart of everything we do is a set of core values that defines who we are and pushes us to become better versions of ourselves.

We seek bright, well-rounded leaders, whose top-tier grades from premier law schools as well as professional experience and community activities demonstrate an ability to thrive in an innovative, diverse, ever-changing, and sophisticated practice.

We are committed to supporting professional development, community involvement, mentoring, training, and relationship-building across the Firm. Associates are encouraged to take advantage of opportunities and initiatives that support their career development. BCLP provides Associates with the guidance to further their substantive knowledge and skill development that fosters their professional growth while providing opportunities to explore work for high-profile clients and senior partners located around the world.

Throughout the course of the year, associates can expect to participate in a number of practice group programs geared towards developing skills required for their specific legal areas, as well as in-house CLE programs. To further advance our associates' business savvy and to immerse associates in our relationship culture, the Firm hosts the Business Academy, which includes interactive business simulations, team-building exercises, and programs aimed to incorporate associates in innovating the delivery of our services. Additionally, the Firm hosts a New Associate Conference for entry-level lawyers, a Trial Advocacy program for litigation associates, and a Corporate & Transactional boot camp. These training series are complimented by our mentor programs, through which associates have opportunities to nurture ongoing relationships with partners and counsel.

We understand the value of well-being and the mental health of all its employees. BCLP is a firm that treats our colleagues as we do our best clients; we are stewards of our firm and accountable to each other; and we make a positive contribution to our communities and society. As a reflection of the Firm's core values, BCLP became an early signatory of the ABA's Well-Being Pledge for Legal Employers, committing to a seven step framework to raise awareness and improve lawyer well-being. We look forward to continuing to make progress in this important area in the upcoming year.

At BCLP we understand the value of a diverse workforce and we believe people perform at their best when they can truly be themselves at work. We aim to create an inclusive environment where all our employees are valued, motivated and able to be themselves. In order to provide the best possible service to our diverse client base, we are committed to recruiting, retaining, rewarding and developing our people with regard to their abilities and contributions and without reference to their background, gender, gender identity or expression, ethnic origin, age, religion, sexual orientation, socio-economic status, political belief, disability or any other protected characteristic.
