General Hiring Criteria

Ice Miller considers each candidate on an individual basis taking into consideration things such as law school performance, professional skills, work and life experiences as well as the needs of the Firm. The Firm's Talent Management Team works closely with the Firm's hiring partner, Recruiting Committee, Practice Group Leaders, and Managing Partners regarding recruiting and hiring practices. The Firm is focused on creating a culture of inclusion where everyone feels respected, is treated fairly and has the opportunity to perform at the highest potential. A number of internal initiatives such as unconscious bias training for both attorneys and staff and the development of a diversity and inclusion strategic plan have increased the overall awareness of and focus on recruiting, developing and retaining talented attorneys from all backgrounds. Additionally, the Firm invests in organizations and participates in programs that expand the legal diversity pipeline. For example, Ice Miller is a member of the Leadership Council on Legal Diversity (LCLD) and the Minority Corporate Counsel Association's Firm Affiliate Network.

## Organization Narrative

Ice Miller LLP embraces a work environment that is collaborative, welcoming, and focused on growth. To maintain our culture, we are committed to building an inclusive workplace where talented attorneys from all backgrounds serve our clients, focus on professional development, and perform to their highest potential. With over 350 lawyers in offices located in Columbus, Chicago, DuPage County, Illinois, New York, Indianapolis, Philadelphia and Washington, D.C., our attorneys and professional staff are among the most talented in the country. Ice Miller is an Equal Opportunity Employer and certified under [The Diversity Lab's Mansfield Rule 4.0](#).

Attorney development begins on Day One with a comprehensive orientation program and continues throughout our attorneys' careers. All associates receive a dedicated career coach, who serves as a confidential resource to help overcome challenges, provide career guidance, and even provide advice on maintaining an active and fulfilling life outside of work, which we highly value. Our attorney feedback program focuses on providing attorneys with real-time feedback on their performance. Instead of just receiving feedback once or twice a year, our attorneys receive feedback at the conclusion of any matter they work on or every 50 hours they work on longer-term projects. This allows for our attorneys to course-correct when needed and focuses on constructive criticism that gives every attorney a chance to achieve their full potential.

The Firm's commitment to diversity and inclusion is among the strongest in the industry. The Firm's Chief Managing Partner has named building a more diverse and inclusive workplace as his Number One priority, and the Firm has committed the resources to allow this vision to become a reality. Please see the Diversity & Inclusion section to learn more about what we are doing to make our vision of a completely inclusive workplace a reality.
