In addition to real work assignments, our program is focused on providing opportunities to network with peers, build relationships with firm leadership and learn about our culture and values. We firmly believe that a talented and diverse legal team delivers the best results for our clients, and we are committed to inclusion, openness, and support for all of our employees. To meet these standards, we welcome summer associates from all backgrounds and law schools. Successful candidates display high academic achievement in their law school and undergraduate education. OPPORTUNITIES

Summer Program. Venable provides summer associates with challenging and rewarding work in a collaborative and professional environment. We hold summer associate programs in eight of our offices: Baltimore, Chicago, Los Angeles, Miami, New York, San Francisco, Tysons, and Washington, DC. Our summer program is designed to give summer associates a realistic depiction of what life is like as a junior associate. Orientation begins with a firmwide multiday gathering in our Washington, DC office including our entire summer class, firm leaders, and external faculty. Programming throughout the summer includes a broad selection of professional development training workshops, one-to-one mentoring from our exceptional lawyers, and opportunities to join practice-specific meetings and trainings. Beyond the benefits of training and mentoring, our program strives to promote a balance between meaningful work and engaging social events. Find detailed information about our summer program [here](#).

Judicial Clerks. We value the experience and knowledge that former judicial clerks contribute to our practice. We actively recruit judicial clerks to join our team and offer competitive bonuses and credit for years spent clerking.
